

Asset Protection Officer

Wings CRS is seeking resumes for an experienced, **Asset Protection Officer** to join in this uniquely aggressive, life-saving global start up.

While we love candidates with experience, we really love ATTITUDE more! Attitude empowered with empathy, securely within the heart of a servant-leader who is strongly intuitive, confident self-starter, out of the box thinker, supportive team player and capable problem solver, not a problem creator. Our ideal candidate possesses exceptional communications skills, loves people no matter what race, religion, or ethnicity, and is unafraid to tackle any task, or to travel to the four corners of the earth to do a purposed-work that is greater than themselves, and above all, is deeply passionate and committed to saving lives.

In this role, you will patrol our premises to ensure the safety of personnel, goods, and surroundings. You must possess physical stamina and a keen intuitive sense, able to quickly identify problems and resolve them responsibly according to all laws and company protocol.

Security Duties and Responsibilities

- Serve as a consistent model of servant-leadership
- Be vigilant and alert at all times, always looking for usual or dangerous activity
- Maintain a confident and authoritative presence to deter potential offenders
- Stand guard at building entrances/exits; ensure only those authorized enter and exit; perform security checks on individuals entering the building
- Assist with guest check-in and security procedures (pat downs, bag checks etc),; provide guest passes for visitors as needed
- Confiscate contraband and any prohibited items
- Escort employees to their vehicles if requested
- Apprehend and detain trespassers
- Maintain records of and report incidents to superiors

- Work collaboratively and communicate with other security personnel (using radio systems) to maintain a safe environment
- Walk the perimeter of the building and/or property, looking for possible security breaches (unlocked doors, open or broken windows) and act accordingly
- Monitor security surveillance cameras and video screens
- Set and respond to alarms; sound alarms and/or call for outside assistance (police, fire, ambulance care, etc.) when needed in emergencies
- Speak and deliver clear communication
- Take instructions from supervisors; work according to company protocol, state laws, and regulations

Requirements and Qualifications

- A minimum 3 years of military or similar force protection experience required
- Knowledge of self-defense and/or previous work in security a plus; First-Aid/CPR certification a plus
- Able pass state background check and drug test; possess a clean driving record
- Possess a CCW permit and an armed security guard license by local regulatory agencies
- Excellent problem solver with experience in conflict resolution; able to quickly deescalate stressful situations
- Physically and mentally fit, able to work long hours on one's feet, including graveyard shifts and in inclement weather
- A confident and calm disposition
- Willing to intervene in potentially dangerous situations in order to protect others
- Keen observation skills; adept at identifying suspicious behavior and activities
- Solid judgment and moral aptitude
- Complete any and all additional qualified duties as instructed.
- Evasive driving skills a plus
