

## **Nurse Practitioner (Family, Urgent Care, Emergency Care)**

### **Strategic Leadership Profile**

The Nurse Practitioner serves as an advanced practice provider responsible for delivering comprehensive clinical care within Wings CRS healthcare facilities and operational response environments. This provider supports family medicine, urgent care, and emergency medical services while contributing to the organization's mission to deliver lifesaving healthcare.

We value experience, but we value ATTITUDE more. We seek servant-leaders who are intuitive, emotionally secure, confident self-starters, innovative thinkers, supportive team players, and capable problem solvers — not problem creators. Above all, this individual is deeply committed to saving lives and strengthening resilient communities.

In this clinical role, you will evaluate patients across a wide range of medical conditions, provide preventative and acute care services, and collaborate with physicians and multidisciplinary healthcare teams to ensure high-quality patient outcomes.

This position carries responsibility for delivering patient-centered care, maintaining clinical excellence, and supporting integrated medical operations during routine care delivery and catastrophe response missions.

### **Core Responsibilities**

Provide comprehensive patient care including family medicine, urgent care, and emergency medical services.

Evaluate, diagnose, and treat acute illnesses, injuries, and chronic conditions.

Order, interpret, and evaluate diagnostic tests and laboratory results.

Develop and implement treatment plans in collaboration with physicians and clinical teams.

Provide preventative care services and patient health education.

Perform minor medical procedures within the scope of practice.

Maintain accurate patient documentation and medical records.

Ensure compliance with clinical standards, patient safety protocols, and healthcare regulations.

Participate in disaster response deployments when clinical support is required.

Support quality improvement initiatives and community health programs.

### **Required Qualifications**

Master of Science in Nursing (MSN) or Doctor of Nursing Practice (DNP).

Current certification as a Nurse Practitioner (NP).

Active RN and NP licensure in good standing.

Minimum 3–5 years of clinical experience in family practice, urgent care, or emergency care settings.

Strong clinical assessment and diagnostic skills.

Ability to manage diverse patient populations in fast-paced clinical environments.

Hiring location: Boerne, Texas
